Terrazzo

TZ01 - TZ05

APPLICATION

Stair renovation in residential homes.

Installed directly over the existing tread; in almost all cases, there is no need to shorten stair nosings.

Also suitable for narrow and older staircases.

Supplied and installed through the Omnistair dealer network.

Test reports and additional technical documentation are available on request through your Omnistair dealer or via omnistair.com/contact.

Omnistair is a brand of Multi Color Company · Noordkade 68, Waddinxveen, the Netherlands · omnistair.com
